For Our First Meeting

- ❑ You're the judge! Crystal Set competition. If you're not quite under way yet with your set see the websites below for inspiration. Several entries already received.
- ❑ The Radiola 20. A fine example of this very early radio currently being restored by one of our members. (See picture)
- ❑ Ohms Law. A little brush up on $I=ER$ with a bottle of wine attached!
- ❑ AGM. Chairman's & Treasurer's reports.
Meeting topics for 2008. Volunteers for 2008?
